The Court made the following :

O R D E R :

This Writ Petition is filed seeking writ of mandamus declaring the proceedings No.C4559/316/Genl/92-93, dated 20.3.1993 of respondents was illegal and arbitrary and violative of Articles 14 and 16 of the Constitution of India, in so far as it reduced the quantum of festival advance from Rs.5,500/- to Rs.3,500/-, incidental expenditure on transfer from Rs.1,000/- to Rs.500/- and deprivation of the house accommodation on lease and non inclusion of Rs.100/- of special pay in re-fixing the pay scale,

while directing the respondents to confer the benefits of festival advance, incidental expenditure on transfer and leased accommodation on part with the officers of Sponsor Banks and include Rs.100/- of special pay while re-fixing the pay to officers without any discrimination, modification or disadvantage to Regional Rural Bank Officers.

2. The Government has constituted a National Industrial Tribunal for Regional Rural Banks at Hyderabad headed by Sri Justice S.Obul Reddi, Former Chief Justice of Andhra Pradesh to adjudicate the following dispute:

"Dispute relating to pay, salary, other allowances and other benefits payable to the employees of the Regional Rural Banks in terms of the pleadings of the parties in Writ Petitions (Civil) No.7149-50 of 1982 and No.132 of 1984 filed in the Supreme Court of India."…….(8)The decisions of the Tribunal shall be final and binding".

The award has been final and the terms of the award are being implemented.

3. The grievance of the petitioners is that they are entitled for the benefits on par with the benefits entitled to by the Sponsor Banks. However, in respect of festival advance, incidental expenditure and lease accommodation, even though the procedure as applicable to the employees of the sponsor bank was implemented for some time, but that they have reduced the benefits considerably.

4. It is the case of the petitioners that the festival advance was reduced from Rs.5,500/- to Rs.3,500/-. In respect of incidental expenditure on transfer which was fixed at Rs.1,000/- was reduced to Rs.500/-. Lease accommodation was completely withdrawn. However, it is submitted that fitment of Rs.100/- is paid and there is no dispute about it.

5. The contention of the learned Counsel for the petitioners is that the petitioners are entitled for all the benefits on par with the counterparts in the sponsor banks. Therefore, the reduction is illegal and contrary to law. He further submitted that the Supreme Court has already observed that the Award of National Industrial Tribunal has become final and it has to be implemented in respect of the parity of scales and other benefits given by the National Industrial Tribunal. It is also submitted by the learned Counsel for the petitioners that a representation was also made to the

Government of India in this regard, but no orders have been passed by the Central Government.

6. The learned Counsel for the respondents also submits that the matter cannot be adjudicated by this Court sitting under Article 226 of the Constitution of India as the final authority for implementation of the Award and the benefits flowing from the Award come under the purview of the Central Government and therefore the matter has to be decided by the Central Government only. I am of the considered view that when once the implementation is entrusted to it, the matter is required to be considered by the Central Government, for appropriate decision. Admittedly, in the instant case, though the petitioners approached the Central Government, but did not wait for any decision in respect of three items of the benefits as stated above.

7. In view of the above, I am of the considered view that the Central Government shall consider the matter. Under those circumstances, I am inclined to dispose of the Writ Petition with an observation that the petitioners shall make a detailed representation in this regard to the Central Government viz. the Secretary, Ministry of Finance, Government of India, Banking Division within a period of six weeks from the date of receipt of a copy of this order. On such representation having been made by the petitioners, the Central Government shall consider the same and pass appropriate orders within a period of six weeks, keeping in view the Award passed by the National Industrial Tribunal and also the decision of the Supreme Court reported in *South Malabar Gramin Bank Vs.*
Co-ordinate Committee of South Malabar Gramin Bank Employees" Union & South Malabar Gramin Bank Officers' Federation & others[1].

8. Accordingly, the Writ Petition is disposed of. No costs.
